

REMARKS/ARGUMENTS

The Applicant has carefully considered this application in connection with the Examiner's Final Rejection electronically delivered June 2, 2009, the telephonic interview with the Examiner on August 6, 2009, and the Advisory Action electronically delivered August 20, 2009. The Applicant respectfully requests reconsideration of this application in view of the foregoing amendment and the following remarks.

The Applicants originally submitted Claims 1-20 in the Application. In a previous response, the Applicants canceled Claims 6 and 16 without prejudice or disclaimer and added Claims 21-22. In the present response, the Applicants have amended independent Claims 1 and 11. Accordingly, Claims 1-5, 7-15 and 17-22 are currently pending in the Application.

I. Rejection of Claims 1-5, 7-15 and 17-22 under 35 U.S.C. §103

The Examiner has rejected Claims 1-5, 7-15 and 17-22 under 35 U.S.C. §103(a) as being unpatentable over: U.S. Patent Application Publication No. 2003/0087650 by Aarnio (hereinafter "Aarnio") in view of U.S. Patent No. 7,266,186 to Henderson (hereinafter "Henderson") for Claims 1, 4-5, 8, 11, 14-15, 18, and 21-22; Aarnio in view of Henderson and further in view of U.S. Patent No. 6,956,833 to Yukie, *et al.* (hereinafter "Yukie") for Claims 2, 7, 9, 12, 17, and 19; Aarnio in view of Henderson and further in view of U.S. Patent Application Publication No. 2003/0211856 by Zilliacus (hereinafter "Zilliacus") for Claims 3 and 13; and Aarnio in view of Henderson and further in view of U.S. Patent Application Publication No. 2003/0181200 by Tida (hereinafter "Tida") for Claims 10 and 20. During the telephonic interview of August 6, 2009 and in the Advisory Action of

August 20, 2009, the Examiner has indicated that amending independent Claims 1 and 11 to include the limitation that the document is a printed document would overcome the combination of the cited references.

As noted above, independent Claims 1 and 11 have been amended to include this limitation. As such, presently amended independent Claims 1 and 11 and Claims that depend thereon are not obvious over Aarnio and Henderson alone, or in combination with either Yukie, Zilliacus, or Iida. Accordingly, the Applicants respectfully request the Examiner to withdraw the §103(a) rejection of Claims 1-5, 7-15 and 17-22 and allow issuance thereof.

II. Conclusion

In view of the foregoing remarks, the Applicants now see all of the Claims currently pending in this Application to be in condition for allowance and therefore earnestly solicit a Notice of Allowance for Claims 1-5, 7-15 and 17-22.

The Applicants request the Examiner to telephone the undersigned agent of record at (972) 480-8800 if such would further or expedite the prosecution of the present Application. The Commissioner is hereby authorized to charge any fees, credits or overpayments to Deposit Account 08-2395.

Respectfully submitted,

HITT GAINES, PC
